

# Large Hexagon Accordion

Directions: Cut out shapes on solid black lines. Fold on dotted lines like an accordion. Glue the back of last piece to your lapbook.

This lapbook template may be used for your own homeschool or classroom (including school and public library programs and Sunday School). It can be used in a secured digital classroom. It may not be used commercially. It may not be shared as a pdf file, on the web, in groups, through email, or in any other way.
