

Counting Carrots Clip Cards

Carrot Counting Clip Cards

Instructions:

Print the clip cards.

Cut out the cards. Fold on the dotted line to hide the answer (on the back of the card).

After you assemble, laminate for durability, if desired.

Show student how to use the clip cards by determining more, less, or the right quantity. Student should place a clip on the card with her answer.

Student can turn over the card to check her own work. If she didn't get it right on the first try, have her count again.
